PURPOSE

Dynamite Studios Academy is committed to providing quality training and assessment in accordance with Standards for Registered Training Organisations (SRTOs 2015). This policy provides the framework and general principles for issuing certification documentation in Dynamite Studios Academy.

Dynamite Studios Academy issues and maintains AQF certification documentation and provides access to those documents to learners in accordance with the Australian Skills Quality Authority and Standard 3 of SRTOs 2015.

This policy outlines Dynamite Studios Academy’s policy principles and procedure when issuing only AQF qualifications and statements of attainment that meet the requirement of the AQF Implementation Handbook, endorsed training packages and accredited courses within its scope of registration.

SCOPE

Dynamite Studios Academy is committed to ensuring AQF qualifications and statements of attainment are issued in accordance with the requirements of the Standards for Registered Training Organisations (SRTOs 2015), and the endorsed training packages and VET accredited courses within its scope of registration.

As such, Dynamite Studios Academy ensures that:

1. AQF qualifications and statements of attainment issued by the RTO are within its scope of registration and that they certify the achievement of qualifications or industry competency standards from nationally endorsed training packages or VET accredited courses.
2. A clear distinction can be made between AQF certification documents and non-AQF certification issued.

POLICY PRINCIPLES

Issuing Certification Policy

Dynamite Studios Academy issues certification in accordance with Schedule 5 of Standards for Registered Training Organisations (SRTOs 2015). Dynamite Studios Academy only issues qualifications and statements of attainment to those learners who meet the required outcomes of a qualification, accredited course, unit of competency or module, as specified in the relevant training package or VET accredited course.

Dynamite Studios Academy will ensure the security of learner identifiers and all related documentation under its control, including information stored in its learner management systems. The Unique Learner Identifier (USI) must NOT be included on the testamur, consistent with the Learner Identifier Act 2014.

Dynamite Studios Academy using the Learner Management System will:

1. maintain a register of all AQF qualifications issued;
2. retain records of all AQF certification documentation for a period of 30 years; and
3. provides a report of records of qualifications issued to the VET Regulator on a regular basis as requested by the VET regulator.

Dynamite Studios Academy issues AQF certification documentation to learners within 30 calendar days of the learner being assessed as meeting the requirements of the training package or VET accredited course:

1. if the training program in which the learner is enrolled in is complete; and
2. providing all agreed fees that the learner owes to Dynamite Studios Academy have been paid.

AQF certification documentation will only be issued once the learner has settled all their obligations with Dynamite Studios Academy, such as outstanding fees. However, completion status and qualification issuance must be reported within 30 days from the date the learner is deemed competent.

AQF certification documentation will not be issued to the learner without Dynamite Studios Academy being in receipt of the verified Unique Learner Identifier (USI) for that learner, unless an exemption applies, as per the requirements of the Learner Identifier Act 2014.

If an exception applies, in accordance with SRTOs 2015, Dynamite Studios Academy will inform the learner prior to either the completion of the enrolment or commencement of training and assessment, whichever comes first, that the results of the training will not be accessible through the Commonwealth and will not appear on any authenticated VET transcript prepared by the Registrar.

Verified Unique Learner Identifier (USI)

Dynamite Studios Academy requires all VET learners to supply a USI verified by the Commonwealth Registrar before any certification documentation can be issued. Only official USI identifiers are used, which may be verified here: <https://portal.usi.gov.au/org/>.

Exemptions to the USI requirements may apply to international learners studying offshore and outside of Australia.

Any learner who requests exemption from the USI shall be notified that any completion results and records will not be available through the Commonwealth Registrar.

Learner's USIs are subject to privacy requirements.
